Let me introduce myself, I am Patrick Hall, President of The So. Cal. Falcons Club. (Charter Chapter of the FCA). Thank you for your interest in The So. Cal. Falcons Club. We welcome all who have a love of the Ford vehicle.

As a member of our group, you will be part of, what I believe as, one of the finest car clubs in Southern California. We keep you informed about our club events, meetings and cruz-ins as well as some of the goings on in other clubs in the area via E-mail and our Web site. You will be able to mingle with people like yourself, all of us Falcon lovers. We have lots of fun on our outings and mix some of them with other car clubs.

Our Club dues are a low \$25.00 yearly due in January and are pro-rated for New Members. In order to be a "member in good standing", we also require that you become a member of the National Chapter FCA (Falcon Club of America) unless you are already a member (please supply your FCA #). Their yearly dues are only \$30.00 and this gets you a great monthly color Magazine.

SoCal Falcons Club Dues rate structure is outlined below. (if you are already a member of FCA):	SoCal Falcons Club and FCA National Dues rate structure is outlined below. (New members of both SoCal and National):
December – March..... \$25.00	December – March \$55.00
April – July..... \$20.00	April – July \$50.00
August – November..... \$15.00	August – November \$45.00

Fill out our membership application and the FCA application and mail them along with your check.

If you have any questions or concerns, Call me anytime at (310) 339-7564.

Check the web site regularly for the up-to-date goings on. Hope to be seeing you soon at one of our events!

Why A Falcon Club?

The Falcon Club of America was formed to band together owners of the Falcon automobile and to provide a medium of exchange for ideas, technical information, availability of parts (often at a discount) and the common interest in the Falcon automobile.
